

# Registration for SPECIAL PROGRAMS & GROUPS

## Consent for Participation

I understand that I am giving permission for my child, \_\_\_\_\_, to participate in the SPEECH PATHways Special Program. I understand that my child will be participating in Team Building, Skill-Building and/or Social-Language activities; however, my child is not receiving individual and/or group speech-language “treatment.” I understand that because my child is participating in a group activity there is the potential for social conflicts between children to arise. Every effort will be made to use these conflicts as a positive learning opportunity within the group. If your child has a history of negative behaviors which could potentially harm the instructors, other children and/or property, it is your responsibility to inform SPEECH PATHways at this time.
