SPIRIT OF LOVE

LEARNING & WELLNESS

The mission of Spirit of Love: Learning & Wellness is to provide *animal-assisted learning and wellness* services to promote life-long learning, health, and wellness though the human-animal bond.

Individualized Learning Programs

Our learning and tutoring programs come from 20 years of instructional experience and are designed to increase:

- * Reading and Expression
- * Development of social skills
- * Development of cognitive functioning
- * Effective Problem-Solving Skills
- * Academic Grades
- * Attention, Motivation and Desire to Learn

Academic Tutoring is available for all students, elementary through college.

Conveniently located within Speech Pathways at 410 Meadow Creek Drive, Suite 206, Westminster

Animal -Assisted Education (AAE)

AAE is a goal-oriented, planned, and structured intervention directed and/or delivered by educational professionals. The focus of the activities is on academic goals, prosocial skills, and cognitive functioning. The students' progress is measured and documented.
